Proton Impian 1600cc 16v by Mitsubishi Fully Documented Dealer Service History
Only 2 Owners From New
Well Maintained and Drives Very Well Many features that include :- Air Conditioning
Stereo with 7 Disc CD Multi-changer and Steering Wheel Remote Controls
Xenon Headlamps
Folding Rear Seats
Driver, Passenger, and Side Airbags
Traction Control
ABS Brakes
Alloy Wheels
Electric Windows
Power Steering
Protective Floor Mats & Mud Guards
Remote Control Central Locking
Security Alarm & Immobiliser

Mechanically - The engine starts easily and is powerful, smooth and responsive. The gears change nicely. Steering and brakes are crisp with no knocking or whines anywhere. Its been very well maintained and comes with a stack of maintenance receipts showing its been Fully Serviced by the main dealer and often ahead of schedule. 86k miles. Current Mot to September 2016. Good tyres. The new owner will not be disappointed with how nice the car is to drive.

Bodywork - I would say it is in Good Condition. As you would expect for its age there are some [illegible] scratches around the car but no dents or significant damage anywhere. Overall its a presentable [illegible] car.

Electrics - One passenger window has stopped working [illegible] no warning lights on the dashboard indicating any faults and all the other electrical features work fine. Comes with Full Log Book Registration Document, Owners Manual Handbooks, Security Codes, Previous Mot's and Service History Receipts. I'm in the N13 area of London close to the north circular and A10 main reads. I am happy to pick you up from a local train station if needed. Feel free to email me if you have any.
