A great opportunity to buy a low mileage one owner Bailey Approach 740 SE motorhome. Originally supplied by our company and having done just over 2000 miles this is a great chance to buy one of the UK's best selling motorhomes but with a great saving on the new price. Fully kitted out and ready for the open road including Awning, Reversing Camera, Satellite Dish, TV/DVD, Status TV Aerial, and in excellent condition throughout. This is probably one of the cleanest examples around and if your looking for a low mileage, late model motorhome then this is well worth considering. Why buy a Bailey? Once at your chosen destination the Approach SE provides you with a light and spacious habitation area, with an internal headroom of 1.96m and an internal body width of 2.27m, which are beautifully showcased by large PolyClassic windows, complete with pleated cassette blinds, and clear canopy Heki rooflights throughout. This space is then expertly managed to ensure storage capacity and accessibility is optimised in all areas of the motorhome making Approach SE as practical as it is comfortable. Taking design cues from our most popular caravan ranges, interiors feature Italian styled furniture in a rich "walnut" wood veneer which combines with the luxurious Vivaldi soft furnishings, constructed using premium quality Belgian fabrics and fully sprung cushions, to make the habitation area both warm and inviting. As people have come to expect from Bailey, models are extremely well specified and are packed with the home comforts owners will need for a relaxing and enjoyable holiday. Notably these include fully equipped kitchens featuring large capacity Dometic 8-Series refrigerators, a new Thetford "anti-rattle" oven, a stainless steel 700 watt microwave and cleverly designed washrooms all of which feature fully lined separate shower cubicles.
