There are very few bikes that offer such good value for money as this. It is Kawasaki's KLE650 Versys. To summarise, it is a competent all rounder with a good seat height to offer good all round visibility to the rider and pillion alike. Its 650cc engine is one that gives a good return on fuel whilst still being nice an responsive to the turn of the throttle. This actual offering is a 2009 model finished in a deep metallic silver colour-option. It has a few extras fitted to it from its previous owner; most noticeably is a rear carrier from Givi, the ultimate luggage provider to the motorcycle industry. This means that you can get any of their Monokey top-boxes and simply lock it in place using a single-key operation and release it in the same way without investing in any other fittings etc. The previous owner has also installed a 12-volt power take off, a set of air horns in favour of the standard one and even a good looking, gloss black, vented, rear-wheel hugger to keep the road grime away from the back-end and underside. Priced keenly, it's unlikely to hang around, so don't be shy. Come along in person whenever suits you? We are here 7-days a week. Call us with any questions on 020 8668 8856 during the working day and discuss all your options, from part-exchange to additional goodies wanted. Our parts and clothing department are also on-hand 7-days a week too. * Please note that the model derivative relates to the model specification year, not the year of manufacture or the date of original registration. If you would like to know more about how this modelâ€™s specification differs in comparison to earlier or newer models please ask a member of our staff on 020 8668 8851 or contact us here.
