VW Scirocco TDI 140 Bluemotion DSG. This car is truly excellent and the engine runs perfectly as you would expect from a car with such low miles. The paintwork is in excellent condition.

The car comes with the following features:

Full highline car computer giving full status on the car
Full perfect leather interior with heated front seats and electric bolsters
Integrated Sat nav stereo with bluetooth and dash instructions, and optional iPhone cables
Lowered sport suspension
DSG gearbox with sports and manual mode with steering wheel mounted flappy paddles
HID headlights, LED sidelights and number plate lights for improved vision and safety
Auto headlights
Auto wipers
Auto dimming rear view mirror
Great tyre and brake disc and pad life all round
Rear privacy glass

Installed in the car is the built in sat nav which integrates into the dashboard giving the directions straight in front of you, this saves looking across or having an unsightly sat nav stuck to the window!

The car will easily manage 60mpg and the gearbox makes driving a pleasure in comfort, sport or manual mode. The suspension has 3 hardness settings, comfort, normal and sport allowing different driving feel for any type of road.
