This is a beautiful example and is a totally gorgeous Ducati 1098 S and with such a very low mileage, it has hardly left the garage! It has been fitted with many after market extras including the following parts: Leo Vinci titanium Superbike cans, Billet open clutch cover in black, Brand new Diablo Rosso II tyres, Quick action throttle, The clutch housing has been opened, Anti hopping clutch assembly, Race seat pad, Swing arm kit, 1098 Racing air filter, High screen, Tracker, Four Ducati Ownerâ€™s Books, Ducati Data Analyser, Two MOTs have been carried out in October 2011 at 1,975 miles and July 2014 at 2,723 miles. The bike must have been transported to the MOT station and put back into storage and never used since that date. The last service was carried out at 1,349 miles. A fresh MOT will be carried out prior to delivery. There are various bills and invoices present including one for £2,438.41, another for over £600.00 and others in the lower hundreds. This bike has had a fortune spent on it and then been absolutely cherished which is reflected in the condition which can only be described as outstanding. Cars and bikes taken in part exchange, Low rate finance offered subject to status, Nationwide delivery available, E
