Here we have a great example of a Yamaha YBR125 that has covered 16056 miles from new. The bike has been HPI checked and a Certificate will be presented with the bike. Gentle, easy going and practical, it will see you through your test and if you want beyond. The YBR125 is best as a city ride, there is enough poke to wind you through rush hour traffic. Viewing is welcome any time and we guarantee you will not be disappointed. Give us a call on 01246 860046 01246 8600...(click to reveal full phone number) for more info or pop in and view the bike at CMC Clay Cross. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us.
