Welcome to Duotech Electronics Mobile Phone Repair Service

If you need a repair service for a HTC One M8, you have come to the right place. We have two specialised technicians factory trained in HTC One M8 Technology.

- Problem with syncing or charging your HTC ONE?
- Not Charging?
- Broken or bent dock connector?
- Is your HTC ONE charging port Faulty or damaged? - Is your computer not recognising your HTC ONE?

Duotech will solve all problems related to the micro USB charging port on your HTC One.

If you are unable to charge your HTC One; sync it to your computer, or if the pins in the dock connector are bent or broken, then we provide a repair service to fix dock connector charging docks for your HTC One. It will get your HTC One up and running as normal like before. If the dock connector charging port has been damaged then we can replace it with a brand new dock connector charging port.

All of my work is guaranteed good work at a reasonable price. You can check my feedback for more details.
