Personal Profile

- Enthusiastic **BSc Computing** student with an upbeat attitude and passion for learning; achieved a **1st** in the first year of course. Core modules involve a significant amount of problem solving and programming.
- Working in groups on a wide range of assignments and work. Excellent team member by coordinating tasks effectively and pitching ideas to other group members.
- Ability to solve problems quickly in pressured environments; achieved an **IQ score** of **131** which places me in the **top 9%** of the UK population.
- Organised and efficient individual; achieved **100%** on the Visual Web Development module containing the **ASP.NET** framework and the **Microsoft C#** programming language.
- Seeking technology development based role to gain industry experience to enhance my skills further, where programming and problem solving skills can be utilised.

PC repair and software configuration service,
Enthusiastic BSc Computing student with extensive knowledge on computer science and software. Looking to help fix personal computers with hardware and software problems. I use a simplistic, minimalistic and efficient method when it comes fixing problems on a Computer.
Issues I can help fix: - Software updates.
- Driver updates.
- Software configuration.
- RAM Disk Installation.
- Virtual Wi-Fi Set-up.
- Oracle Virtual Box Configuration.
- Operating system installation.
- Internet browser data removal.
- Piracy and tracks erasing.
- Disk scanning and repair.
- Disk clean up and configuration.
- CPU, RAM and HDD analysis.
- System scanning and repair.
- File organisation and system maintenance.
- Registry cleaner and defragmentation.
- Hard Drive defragmentation.
- File backup and system restoration.
- Software Malware, Adware and Virus protection.
- Firewall and network analysis.
- Hardware upgrades and cleaning.
- Preventative maintenance checks and repairs. All references and a Clean Disclosure (Formally known as a Criminal Record Bureau check) can be seen in the uploaded pictures. As I am still a student and learning the different areas of a computer I will not be charging for my services until further notice. Please ring or text Chris on 07434726666 07434726666...(click to reveal full phone number) or E-mail click to
