Good condition cream leather sofa set with hard wood detail (handmade in India), Selling a 3 seater and an armchair ( although 2 seater also available separately) because they don't physically fi through the door of my new home. Really good condition- very small (very neat) tear in 3 seater (not noticeable) courtesy of the moving company but other than that excellent condition. Need to get rid of them so £250 for 3 seater and armchair ONO £250.00,,.
