What is spray tanning? Why does it work? DHA is a colourless sugar and the active ingredient in the guide coloured solution that will be sprayed onto your skin. Applied using a specialist low pressure spraying machine, the DHA in the solution interacts with the proteins and amino acids in the outer layer of your skin to produce a golden brown clolor. The colour you see at the time of your treatment, is purley a guide colour for your therapist to see that you skin is evenly covered. In egiht hours time your actual tan will have developed and will be revealed after you shower. Is it safe? Yes a spray tan is very safe, A sienna x sunless spray tan can give the same reults as spending 10-14 days in the sun, but without the harmful effects of the suns harmful rays. How dark will I get? Sienna x has a range of solutions and I will help you bespoke your ideal spray tan. Your spray tan results will depend on how well you tan naturally. The darker you tan in the sun the darker you tan with sienna x. Many people like to bespoke their tan, so its lighter in the winter and months and darker in the summer. How long will my spray tan last? Spray tan bath offers such good and high quality products that your spray tan will last approximatley 5-7 days all depending on your daily skincare regime, lifestyle and if you have exfoliated well prior to your tan. A a sunless tan fades just like a tan from the sun - so as your skin sheds dead cells, your tan will fade, so its really important to moisurise daily. Sienna x contains only the finest natural ingredient including aloe vera, avacado extract, calendula, coco butter, ginger extract, ginko, green tea, pomogranite, Q10 anti-aging properties, shea butter and vitamins A and E. Spray Tan Bath has been in the spray tan business for over three years so I guarantee that I can give you the best tan you will ever have. Please feel free to contact me for your mobile spray tan on: 07527 132028 07527 1320...(click to reveal full phone number) and will be happy to answer any questions you have relating to a spray tan and I will be glad to come to your home for a convenient time give you the best spray tan possible.
