The generator is on wheels and was a standby generator for a private house.
The engine looks as new, the bodywork has a few age related marks.
It has a bran new battery, it runs sweetly and has probably hardly ever been used.
It was installed in a large garage, and is in excellent condition.
We bought it a year ago but have never used it, and we now no longer need it.
Lovely clean, reliable and silent generator.
Viewing welcome, any questions please e-mail.
Cash on collection. Advertised.
