We are qualified practising health professionals from medical backgrounds as well as trained Aesthetic Practitioners in non surgical treatments. We work in a friendly and professional environment and manner with confidentiality being maintained. We are fully insured and are based in Luton and we are now also mobile which means that we can now come to you if you are genuinely unable to come to us (limited to a 30 miles)

We provide Dermal fillers for lip augmentations , marionette lines and naso labial folds area of the face to enhance your natural features using the leading Juvederm range of fillers leaving you feeling refreshed and younger looking.

We keep also keep upto date with our training, new treatments techniques and brands.

We are also provide Anti Wrinkle Injections to reduce fine lines and wrinkles around the skin in the upper face area such as crows feet, forehead lines and frowns. A face to face consultation with a prescriber and ourselves is required for Anti wrinkle Injections where your medical history will be taken before Injections are prescribed. Treatment will then be carried out with a few days. There is a £50 deposit required for this (non returnable) which will be deducted from the cost of your treatment.

We provide a follow up appointment within 2-3 weeks as well as aftercare advice.
