Legal process of transfer of equity, A transfer of equity is needed when you wish to change the legal ownership of your property. Pindoria Solicitors property lawyers can assist with the transfer of equity where we will obtain additional funds from you and proceed to the completion stage. Once the transfer deed has been executed by all parties, we will obtain any additional funds from you and your lender and proceed to the completion stage. Then we will apply to the land registry to register the new ownership of the property., Stanmore, 0208 951.
