Marshall 100W Combo Amplifier, MG Series, 100DFX, Marshall Combo Amp. About 4 years old and in very good condition with just a few nicks on a couple of edges but not really noticeable as can be seen from the photos. hasn't been used much for the past 2 years as my son who is selling this has been abroad. An excellent buy for someone and naturally can be fully checked by buyer on collection. £60.00,,,
