Playstation 4 PS4 500GB - Glacier White Boxed with Controller, Excellent condition PS4, only a month old. im not sure how to check if the warranty is still on it but it's in perfect condition and is boxed with all accessories. It has a white controller which is like new and the leads including power cable and the charger for the controller. The inner box which has the handle is in perfect condition however the outer box is torn so I used tape to put it together. I also have a black PS4 for sale with a game in average condition at the same price... That one is slightly older. £220.00, Peterborough,.
