Location **South East, Middlesex**

A well presented ground floor two bedroom flat converted within a Victorian end of terraced house. The property has a low maintenance garden and is being offered with no onward chain. In our opinion this would be an ideal first time buy or a buy to let investment. The property accommodates a master bedroom complete with bay window and built in wardrobes, second double bedroom, contemporary bathroom with three piece bathroom suite, large living room that is open to the modern fully fitted kitchen, a low maintenance patio garden which is accessed from the living room and storage cupboard situated in the hallway. The property is located on a sought after section of Kimber Road due to it being equidistant from Southfields, Earlsfield and Wandsworth Town. This location is very well served by excellent transport links, restaurants, bars, leisure and shopping facilities all within walking distance of the property. The green open spaces of King George s Park are also close.
