Location South West, Somerset https://www.freeadsz.co.uk/x-165051-z

Wanted: 13-13.2h (138cm) gelding., Currently searching for a 13-13.2h, 138cm gelding to join our private, family home in North Somerset. My daughter is growing out of her wonderful 12.1h and we would like to find the next step up. Loan or LWVTB only. We are very experienced loaners and can supply outstanding references for loaning. If buying, we are only interested in loan (or trial if local) before purchase. Our new family friend absolutely MUST be capable, experienced and generous at competing over 90-1m tracks including fillers and water trays. He doesn't necessarily need to be a speed merchant as my daughter isn't 'in it to win it', she just loves taking part (but getting placed is always nice!). We have no upper age limit and would actually prefer an older, 'been there, done it, got the t-shirt' type., Bristol,.
