Taking shape! Ladies fashion sizes 14-26 335-337 Lord Street, Taking Shape is a plus size fashion brand. We make clothes in sizes 14-26. We love inspiring women and making them feel good in what they wear. We started in Australia, so all our clothes have a little bit of Aussie attitude: we're not afraid of colour, bold prints or getting dressed up. Unlike most high street brands, we understand that women who wear the same size can have very different body shapes. That's why our specialist designers only create clothes with curvy figures in mind. Our clothes are made to last. Yes, we take notice of the trends, but it's the details, like the flattering cut, breathable fabric and versatile styles, that mean our designs can be worn again and again. With three fashion brands to our name plus Activewear Sleepwear, Footwear and Accessories, you'll never be stuck for choice. Shopping with Taking Shape is like stepping inside three shops under one roof, where you'll find everything from work wear to weekend casuals, gym gear to evening dresses, all created by dedicated design teams. With so much choice and fast UK delivery, we make shopping online at takingshape.com just as much fun as visiting our store. £29.00, Southport,.
