Join us this Autumn at Brighton Open Market for our Halloween half term special! On Sunday 25th October The Fairy Tale Fair will inspire shoppers with over 40 carefully chosen, high quality, handmade / hand designed stalls by local designer and makers, as well as the permanent cafes to stop and relax in between all that shopping and browsing! We'll also be putting on a special spooky treasure hunt for kids, face painting, as well as a free craft make table to keep the kids entertained. Our fair is a real community event, we welcome families and all ages to come along and enjoy the crafty creations and treats! The majority of our stall holders are local makers and we hope that you can come along to support and meet them and their wonderful creations. It is also a unique chance to purchase handmade, one off gifts and Halloween creations that you certainly won't find on the high street! Conveniently based in the centre of town, with the majority of Brighton & Hove buses stopping within a few steps of the market, and London Road car park just 5 minutes away. Avoid the stress, and queues or trooping from shop to shop on the high street and get all your gifts in one place with us instead! The market is also fully under cover, so you've no need to worry about the weather. Don't miss our craft and vintage stalls selling handmade or hand designed gifts and creations. Jewellery, prints, cards, knitted items, felted items, decorations, children's items, baby clothes, art, vintage accessories... we'll have it all covered! Along with other magical extras and live dancers on the day too! Kids (and big kids) are encouraged to come along dressed in their best Halloween costume or favourite fairy tale!
