Location **East of England, Cambridgeshire**

Audi A3, owned by us since Oct 2009, serviced Dec 2009, then Mar 2011, Mar 2012, June 2013, July 2014 & a full service August 2015, MOT due June 19th 2016. Service has been full then part as we don't do the mileage to warrant a full service every time. Leather interior, heated front and rear seats, rear parking sensors, Isofix in rear and front, tax was £290 for 12 months. Currently pictured with private plate which has been removed & original plate of SL05 SNN is back on the vehicle. March the DSG gearbox oil change was done but there is no paperwork as an Audi friend mechanic did it for us. Has had a new radiator fitted too during it's time with us. Also advertised on Motors.co.uk where it's been history checked to be able to appear on their site. Four new tyres fitted 12th June 2015 to get it through the MOT. Love this car and will be sad to see it go, in great condition for being nearly 10 years old. Anyone that knows about cars will know that this is a quick car so no joyriders welcome, only serious buyers. A great chance to own something that's a bit special and quite rare to find especially with this low mileage. Need more pictures, just get in touch, let me have an email address and I can send some across. Any MOT's, paperwork kept since we've owned it. Please don't contact me and ask for a paypal address, I WILL NOT ACCEPT PAYPAL OR SELL THE VEHICLE TO SOMEONE THAT DOESNT VIEW IT ETC, DONT WASTE MY TIME ASKING SUCH A STUPID.
