

Babydan Babyden Black Grey Base (40 GBP)

Location **South East, Kent**
<https://www.freeadsz.co.uk/x-168892-z>

A unique concept developed by Babydan with multiple features all in one product. The extra wide door section separates this playpen from others, allowing you to pick up your child without straining your back. When you no longer need a Playpen, you can convert it into a safety gate, a room divider or a hearth gate by adding wall fittings (included and used).

1 x Door Section (72cm)
 4 x Large Sections (72cm)
 Playmat (Machine)
