

Visionary Trends Ltd - Home amp Small Business Computer Repair

Location **East Midlands, Leicestershire**
<https://www.freeadsz.co.uk/x-169274-z>

•Do you have a bleeping computer and don't know how to get it working again? •Are you unable to connect your laptop to your wireless network or does it keep dropping the connection? •Are you inundated with spam emails or do pop-ups prevent you from browsing in peace? •Does your small business need its network and printing services updated? •Are all your documents safe and securely backed-up? We are a family run IT and PC repair company. We can get you up and running in a jiffy! With a friendly and encouraging approach, we assist with any IT problem and ensure you have a trouble-free computing or network experience. From home PC repair, installation, upgrades, wireless or printing problems, home networking and security solutions, to larger Small and Medium Enterprise Business Solutions - here at Visionary Trends we can support your computers and IT infrastructure and keep you working. (trendy.org.uk) With over 20 years in the industry, we have extensive knowledge of all home and small business IT requirements, both hardware and software, and can assist in setting up IT solutions of any size. Being Microsoft and Cisco certified we have advanced network knowledge and comprehensive office software experience. We also provide Apple product support, repair and networking. We offer secure remote diagnostics to identify problems or to provide on-going maintenance. We also specialise in Media Management and Home Entertainment Solutions - HD Video and Audio across your home or office network. Mobile phone and tablet integration is a necessity these days and Visionary Trends can help with all mobile synchronisation and communication. So, if it is a gaming machine build to run the latest blockbuster, Video Editing or CAD workstation, Office or Home Network or any IT related issue - Trust Visionary Trends to help you.
