GET INTO ACTION AND ACCOMPLISH MORE – You can really get going in life, and with these Scientology breakthroughs, drive forward and reach your aims. When you know what stops someone from getting going, you can increase your motivation and achieve your higher pursuits. TO ACCOMPLISH YOUR goals, you need personal drive—and active doing. You have to overcome barriers and keep moving forward. Success, therefore, requires personal motivation. So why do we often procrastinate? And sometimes end up doing nothing? Why do we occasionally delay some trivial thing that then develops into a crisis? The How to Get Motivated Course answers these questions. It shows you how to overcome barriers to accomplishing something. It provides the know-how to make work simpler and more desirable, so your motivation grows. On this course you will learn: The pitfalls of leaving something incomplete – how it doubles your work. An exercise that will help you rise above your troubles. The exact anatomy of control and precisely how to direct people, objects and activities in your environment. When you know what stops you from getting going, you can increase your motivation and raise your effectiveness. Length of Course: 4 days part-time Enrol Today!
