

Animal Deterrent Scare Crow (25 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-170069-z>

ScareCrow Motion-Activated Animal Deterrent Protect gardens and yards from common animal intruders. The original ScareCrow motion-activated animal deterrent uses a startling but harmless burst of water to deter pests. A deer deterrent, and more - Proven to solve the most common animal complaints: deer, raccoons, heron, and cats Effective alternative to harmful chemicals and unattractive netting Protects 1200 sq. ft. day and night, all season long Guaranteed effective from day one Can link several together for larger areas Conserves water - just two to three cups per deterrence Operates up to six months on single, nine-volt battery ScareCrow Mounting Bracket Allows you to mount the ScareCrow to a fence or post in areas with rocky or unstable.
