

Yamaha FJR 2001 (2,750 GBP)

Location **South West, Wiltshire**
<https://www.freeadsz.co.uk/x-170810-z>

Up for sale my FJR 1300. Y reg with around 61000 miles (will go up since it's used occasionally). MOT 04/2016. Will need new tax due to new laws. It's been recently serviced with engine oil (Motul), filter and shaft oil, air filter are changed . Front and rear brake calipers were serviced and rear brake pads were changed for new one just before the MOT. Fresh Michelin Pilot Road 4 tyres. Wheel bearing changed to new ones less than a month ago.

Moreover, It just had its valves checked (should be checked and adjusted if needed every 24k on this model) and spark plugs changed. While it was done, all the engine and surroundings have been cleaned, washed and lubricated where needed. So it's ready to go out for a long ride. It has full luggage including top box, adjustable tall screen, braided front brake lines, fender extender, radiator stainless steel cover, center stand, heated grips and bagster gel seat for rider and pillion- so the bike is ready to tour or just commute daily. It's still a great fun with 140 hp under your seat, so it's not slow at all. Previously owned by FJR owners club member and has piles of service documents from their service guys. The mechanical condition of the bike is excellent. 2 keys. I won't be hiding anything, there are some minor scratches from PO, now painted over. Generally, great condition for this type of bike. If I've missed anything, please call or text *07544812108* Bike is located in Andover, Hampshire CASH ON COLLECTION! PLEASE CONTACT ME FOR.
