Become a Professional Photographer or Start an exciting New Hobby! Whether you want to be a photographer or just love taking pictures, learn what you need with this in-depth photography course. Take photos that tell a story! These hands-on, practical courses explore the art of great photography, covering a broad range of subjects and providing a dynamic learning experience. You will leave your course with an array of beautiful pictures and an in-depth understanding of taking great pictures. Courses include but are not limited to:
 • Learn using your camera,
 • Understand Exposure,
 • Aperture,
 • Shutter Speed, ISO,
 • Advanced shooting modes,
 • Auto-Focus and Metering Modes,
 • Depth of Field (DOF),
 • White Balance, etc...
 • Live practice in a park/home/studio.
 • Adobe Photoshop CS6, Bridge CS6 and Camera RAW I will help you to learn the art of taking stunning photos and editing them to perfection. The feedback received from my past students has been invaluable and showed my professionalism in the work I do. Feel free to contact me both by phone and email. Thanks in advance
