Healing Circle - as featured in New Woman Magazine, Blogtalk Radio and BBC Radio Do you sometimes wonder what life is all about and what your real purpose is for being here? When you question your life and where it's going do you have the answers you want? Have you achieved all the things in life which you would like to? Are you happy with who you are and what you have become? If the answers to these questions are no, then have you asked yourself why? Everything we have ever dreamed and hoped for in our life can be ours should we be brave and bold enough to take the steps in order for them to become reality, not just dreams which we feel are never going to be within our grasp. Just a few of the Benefits you can look forward to include:- Balancing and clearing the Chakras Removing all negative and any blockages in the body Promotes and helps with direction and decisions in one's life Promotes natural self-healing Balances the energies in the body Heals Holistically Strengthens the immune system Enhances personal awareness Relaxes and reduces stress Promotes creativity Treats symptoms and the root cause of any illness Adapts to the natural needs of the receiver Releases blocked and suppressed feelings Balances the organs and glands and their bodily functions Aids meditation and positive thinking The healing works on all levels mental, emotional, physical and spiritual by raising a persons vibrations removing blockages and imbalances to restore health and well-being on a cellular level These are some of the benefits you can expect to experience and feel being in the Healing Circle over 12 months Much more positive and optimistic Happier for no reason Joyful Weight loss Peace of mind Purpose and passion - discover your calling and discover your Greatness Much more relaxed about life Balanced chakras - all areas in your life more balanced Feedback from hundreds of people can be found at <http://holistictherapyconsultant.webs.com/apps/guestbook/> If you are ready and willing to allow the
