

Looking to share gorgeous Pepito (170 GBP)

Location **London, London**

Looking for a confident rider to help me keep in good shape Pepito, a gorgeous 6yo gelding. Pepito is a trotter, but very comfortable and elegant in his looks and movements. Pepi is a little green in his schooling, but a very willing learner if placed in the right hands; given this, the sharer must be an experienced rider. Ideally, Pepi would suit someone who has aptitude/an interest in dressage, however he is also good for hacking and jumping. Pepi has a peppery character when he's worked, but really sweet when groomed and fed- I can assure you it's difficult to resist not falling in love with him!

Pepito lives in Frith Manor (London, N12), which is easily accessible through public transport. Use of the outdoor and indoor school is available, as well as hacking in the local lanes. I would like the sharer to work Pepi 3 days a week, one of the days being Sunday. Age:6 years 9 months Height:180cm
 Price: £170
