Used SAMSUNG UE40H5000 Full HD (1080p) LED TV with Freeview HD.

It has 3 vertical scratches (all near each other - see pics) however they are only visible when close by the TV and when it is switched off or completely dark. See close up pics of when the TV is on, they are only barely visible close by and not visible at all from a sitting distance. When the TV is switched on, you will not even notice them.

Other than the three barely visible scratches, the TV is in excellent condition and was purchased under a year ago. Comes with remote.

Picture quality is amazing - it also has 2 HDMI ports, 1 USB (to view films, photos, etc) and various other ports.

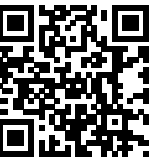

Only selling to upgrade to a larger screen size. Cash on collection.
