*** www.brooksideuk.com *** Super static caravan holidays at Brookside Caravan Park, accommodating between two and eight persons in brightly designed and modern static caravans. Our weekly prices are from between £220 and £520 depending on the size of the caravan and age. Brookside is situated in Lyminster, on the A284, between Seaside Littlehampton and historic Arundel, in West Sussex, on the part of the coast that is often at the top of the Met Office's list for 'Sunnier Weather' in the UK! We welcome families, and there is always so much to do and see in the local area. The caravans are non-smoking and are available to hire from Saturday to Saturday plus certain Bank Holiday breaks - to check our availability please go to <http://www.brooksideuk.com/holidays.html> You can book online, by post or over the telephone, but if you mention this advert when booking, we will gladly give you 10% off the total price of your holiday with us when a Company owned unit is booked. We are in a superb location if you are visiting Goodwood for the Festival of Speed or Revival meetings, Chichester for the Annual Carpet of Flowers, Bognor Regis for day trips to Butlins, Worthing for the Birdman rally and seafront fairs, or any of the fantastic places that are within half an hour of the park. Arundel boasts a fantastic castle, RPB nature reserve wetland centre and a multitude of antique and tea shops. Littlehampton has sandy beaches, Harbour Park fun fair and the newly renovated river walk from the Sea to the Look & Sea centre further upstream the Arun river. It has rightly been a family favourite since the dawn of British holidays! The South Downs National Park is but a few miles North of the park and makes for glorious walking days (or cycling). Please note that we cannot accept dogs at Brookside. Contact us today and we will do our best to make sure that you have a brilliant holiday at Brookside! (There are sometime caravans to buy at Brookside too - you could holiday as often as you like within our long season. Check out
