These are Seymour Duncan 35th Anniversary JB / Jazz Humbucker Pickups. These are SH-2 and SH-4. They are new and boxed, never been put on a guitar. I bought these with a guitar and never got around to put them on, so thought i'd sell them instead. I've been told these are really great pickups and have an awesome sound for all sorts of playing. They are £140 but i'm willing to take!
