

Stunning Imported 16 weeks old male and female Doberman Puppies (500 GBP)

Location **East of England, Bedfordshire**
<https://www.freeadsz.co.uk/x-174292-z>

Due to very unforeseen change in circumstances we are having to part with our stunning 16 WEEKS old, imported (cropped) brown / tan male and female Dobermann Puppies. They have wonderful temperament, are excellent with kids, cats and other dogs, they have all basic training in place, have an amazing pedigree and full European passport. Serious enquiries only please as this is very hard for.
