Are you interested in learning guitar or developing your skills? I'm a Shoreham based guitarist with over 13 years experience. I successfully attained a BTEC National Diploma in Popular Music and enjoy playing various genres as well as being a member of two local bands. All ages/abilities are welcome, from beginner to intermediate- I can offer lessons for acoustic, electric and bass guitar. I started out as a self taught guitar player therefore my approach to teaching guitar is relaxed and tailored to the individual. I drive so am able to offer lessons within the comfort of your own home. My lessons are are a flat rate of £15 per hour. Please feel free to e-mail me or call/text with any questions, 07772014999. Many thanks, Dan. ;
