

Rover Mini 1991 (2,400 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-192265-z>

Brian has been a much loved family member for 5 years. Fun to look after and pure fun to drive. Now regrettably it is time to find a new caring owner. British racing green, low mileage, engine in great condition and clean, new exhaust, new tyres. Undercarriage recently waxoyled. We have managed to keep the rust at bay, although at some stage a respray might be beneficial.;
