Here we have for sale a 2010 Jaguar XF Premium Luxury V6 Auto in metallic Silver. The Jaguar XF is one of my personal favourites, a great looking car inside and out, plentiful leg room, ample boot space and tons of gadgets give it a degree of practicality and its fast, with a 0-60 sprint in just over 7 seconds. Being a diesel the vehicle can achieve a combined consumption figure of 42mpg so economy there also. It really does have everything you could ask for, sat-nav, parking sensors and camera, rain sense wipers, xenon lights, electric heated leather seats, the list goes on. The vehicle has service history with stamps at 24k, 34k and 76k miles and MOT till end of March 2016. She looks great and drives very well. You can also reserve this car for 48 hours with a £150 refundable deposit. We can tailor car finance around you, we work with some of the top lenders to get you the best rate, no matter what your credit history.
