Mazda mx-5 for sale MOT until the end of November. Engine runs really nice, brilliant fun car, will be sad to see it go but can't warrant two cars. Bad bits - the arches need looking at as they are starting to rust through (mx-5 common issue, weld in arches are available on ebay for £30 each) recently had a new radiator, coil pack and coolant hosing renewed. Always been home serviced and looked after. The car isn't perfect as expected with the age but price reflects that but it looks good, turns heads and is a pleasure to drive. BBS wheels, LSD fitted, stereo button for roof up and down, speakers in the head rest all as standard on the roadster eunos
