The WONDER WASH is a highly portable mini laundry washer, perfect for campers, boaters, caravaners, students or anyone who utilizes a small space.

This hand-crank, manual washing machine Uses 90% less water and detergent than larger, conventional washers.

No electricity needed, powered by hand Environmentally friendly, reduced water and no electricity consumption.

The idea behind the process?

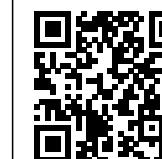

When warm water is sealed in the airtight drum, the heat causes the air to expand, which builds pressure. The pressure forces the detergent (which is diluted into the water) into & through the fabric about 100 times faster than you could by hand and it requires no electricity.

The drum requires hand spinning gently for just one minute per load to wash.

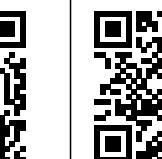

Can fit 7-8 dress shirts, 10 T-Shirts, 30 pairs of socks or 2-3 pairs of jeans per load Weight: 6 lbs
