Model, Sprint GT SE, Fuel Type, Petrol, Engine Size, 1050cc, Year, 2015, Mileage, 2647 Miles, Location, Jack Lilley Romford, It really is a do anything motorcycle, so you're as comfortable slipping through snarled up city traffic as you are crossing continents. The Sprint GT SE is also outstanding value for money because of the amount of equipment we put on it, including the capacious, purpose built three box pannier system you get as standard and the comprehensive onboard computer. Heated Grips, Touring Screen and Gel Seat allow you to tour in comfort whatever the weather. This low mileage example is all in standard trim apart from the addition of a Triumph Tank Pad and is ready to!
