A Honda VFR 750 RC 30 in beautiful original condition, which offers an excellent investment opportunity as these very fast becoming rare and collectable motorcycles, they have more than doubled in value over the last three years, they are without doubt an appreciating asset. In the future it is expected these bikes are likely to be looked upon in the same way as the Brough Superior is currently, and considered to be a perfect example of a very special motorcycle. When the bike was virtually new the engine was blue printed by the RC30 guru Tony Scott and it has recently returned to him to be refreshed, his markings are on the cylinders. It has been fitted with HRC coils and wiring loom and the standard exhausts along with the original 18 inch rear wheel have both been retained. Maxton fork internals and also a Maxton rear shock have been fitted to this stunning motorcycle which has been in the possession of the same owner for the last twenty one years. The genuine Honda paddock stand in the photographs is included in this sale. It is quite simply stunning and well worth a trip to view. Cars and bikes in taken in part exchange, Finance offered subject to status, World and nationwide delivery available, E
