

Old Suitcase (60 GBP)

Location **South West, Hampshire**
<https://www.freeadsz.co.uk/x-194528-z>

This is a thirties style suitcase made of fibreboard and coloured brown. The catches are a little rusty,,I have cleaned them up a bit. could be painted if so desired. The feature of this case is the inside. Loads of vintage travel stickers from bygone Airlines. These could be steamed off for use elsewhere . Really clean inside a good piece of memorabilis and storage or display Will post at cost but would prefer collection.Call
