Monster by name and a monster to ride! The 1100cc V-twin pushes out 95bhp and 79.5 ft-lb of Torque! Enough to put hairs on your chest! Classic looks have remained the same over the years to keep with the iconic styling that made the monster famous. After MCN Stated that this was 'the best air cooled monster ever' it was always going to be popular, despite that, there isn't many around, especially not in this condition! This example has been kept original in standard condition with no nasty or garish extras. A tail tidy has been added to tidy up the rear end, but that's it. In stunning condition throughout, all the paintwork is gleaming with no imperfections, The Ducati red is the colour to have and is instantly recognisable, even to non bikers. With two keys, the owners manual, All previous MOT's and Ducati service history, why not come down and view it for your self. Every bike receives a fresh MOT and oil and filter change before being sold as well as our CMC Warranty for your piece of mind. Alternatively why not have this bike delivered to your home address, All deliveries are carried out by a professional motorcycle delivery driver in a van direct from the shop to your door. £100 deposit secures any of our bikes and is fully refundable if your not entirely.
