

Chihuahua Kc smooth coat puppies (750 GBP)

Location **South West, Gloucestershire**
<https://www.freeadsz.co.uk/x-195918-z>

Description: Vet checked and ready to go, comments from vet on these puppies were stunning and very healthy. kc reg chihuahua puppies for sale with Apple dome heads. bramerita and fairytopia bloodlines, stepheteer willy nilly of hamaja is great grandfather to these pups. i have the following available

2 x tri males- £750 each

1 x sable male- £750

1 x blue/lilac male- £950

1 x tri female -£950 good size and comes from a long line of self whelpers producing good size litters, perfect breeding bitch no endorsements- £1250 our family pet foxy(foxy princess snow white) has given birth to a stunning litter of

5 puppies,foxy's grandfather is stepheteer willy nilly of hamaja and is currently standing in poland. sire is ralph (fairytopia dare to dream) a gorgeous chocolate chihuahua. puppies are now ready to leave for new homes. both parents are kc registered and have many champions in thier pedigrees.puppies will also be kc registered both parents, mum and dad have excellent temperaments and are loving and affectionate dogs with no aggression atall.

puppies have been well bred for loving and affectionate personalities and will make ideal family pets.i am a hobby breeder and only have 1 or 2 litters a year although i have been breeding now for 14 years so have a lot of experience. i took a lot of time to choose my original parentage for my puppies to ensure good bloodlines.all of my puppies are reared in our home around children,cats and other dogs and are very well socialised, also used to everyday household sounds like the Hoover etc.puppies will carry the chocolate gene and mum can be seen with her babies.both mum and pups are fed on royal canin puppy

which although is one of the more expensive brands in my opinion is one of the best. it is a dry feed full of vitamins and minerals a puppy's health depends on a shiny coat and good digestion. it is a dry feed full of vitamins and minerals a puppy's health depends on a shiny coat and good digestion. it is a dry feed full of vitamins and minerals a puppy's health depends on a shiny coat and good digestion.
