

2 remaining pups now reduced to 350 each (350 GBP)

Location West Midlands, Worcestershire https://www.freeadsz.co.uk/x-196078-z

Ready now

This litter of pups have been purpose bred for their stunning looks solid/stable temperaments intelligence trainability versatility and ability to excel in a variety of roles including ACTIVE family pet/companion competetive sports dog (obedience, agility Working Trials etc) or any other role their owner may choose for them.

This is a repeat mating between two of my dogs producing yet again some very unique colours including blue, blue sable, powder blue, light golden sable, dark sable and black.

Mother of the pups is my stunningly beautiful blue sable gsd who is from show/pet lines

Father of the pups is my incredibly handsome dark mahogany mali who is from NVBK lines

Both parents are my very much loved house pets highly social intelligent and exceptionally well trained in a number of disciplines teach have a list of "achievements" and are available to view as is a pup from a previous litter.

Pups will be carefully matched to their new families who will receive on-going advice and support for as long as they require
