Stunning 1 year old Victorian Dwarf Wall Conservatory. 3 X 3 X 3 meters - Front bay windows with french double opening doors which could be incorporated anywhere. Double glazed glass panalled roof, double glazed windows and doors. Originally this cost its previous owner £6000! We had this from a clearance recently and is the only reason for selling! Its in excellent/like new condition. The windows will sit on a dwarf wall of aproximately 6 layers of bricks. Bricks are not included. It needs to be attached to 2 walls in a corner or if you only have 1 wall then you would need extra bricks to build another wall or use the upvc cladding to make a wall. £800. Bedworth to collect or can deliver if.
