I am selling a sofa bed which is currently taking up space in my spare room. It has barely been used and is in excellent condition. It folds flat or can be used upright as additional seating.

It is dark brown in colour.

This will be extremely useful for anyone requiring additional sleeping arrangements over Christmas and is useful for extra seating during the day.

Measurements: - 5 feet long x 2.5 feet wide (message me if you require this in cm).

No returns on this item.

Please message me if you require further information.

This item is for collection, but I may deliver if you live local to Derby and mileage is charged at 25p per mile. I would require help unloading.
