Stunning double glazed and centrally heated holiday home. This is a stunning example and is in absolute fantastic condition a real credit to the previous family the Walkers. The static will sleep 6 people and has a comfortable living area which makes entertaining that little bit more of a comfortable experience. Caravan is perfect for anyone looking to maybe "dip there toe" in the water and with DG & CH it is the perfect static to use on our 365 day a year park. It can be sited on a plot of your choice and also comes equipped with a full size fridge/freezer under the counter. For more information on the park and what we have to offer please contact Graeme on 07834806696 and I will be happy to answer any.
