This is a superb trike with many extras and low mileage. Extra fitted since have been Rivco risers, Triumph teardrop mirrors, rear footboards to replace pegs and leather luggage as seen in pics. It is in superb condition and turns heads everywhere, it also handles extremely well and has massive acceleration. It was bought for the wife who had retired from 2 wheels, but she has not really used it and it is simply gathering dust in the garage (on a trickle charger) most of the time. It has reverse gear fitted, has no known faults and has a "R3" personalized plate which will go with the bike. The sat nav in the pics is included.

Thatcham approved alarm fitted with full set of keys etc.

Tyres are all as new.
