one boy and one girl (brother and sister), 12 weeks old. They are totally gorgeous and affectionate little kittens and we are looking to find a loving home for them (together) as they are inseparable. We bought them 3 weeks ago for my son however he has shown no interests in them and actually seems scared of them (he's only 3) because they scratch a little when they climb on him. I'm completely in love with them. I have to put my son first hence the advert. We have bed, bowls, toys litter tray, toys and carry case all.
