

## Petra 3 amp 2 Seater Sofas Chocolate Brown (650 GBP)

Location West Midlands, Staffordshire https://www.freeadsz.co.uk/x-201169-z

These sofas have beautiful fabric and faux leather blends with accent cushions.

Faux snakeskin outer reflects the very latest in home trends, with an intricate pattern that becomes more striking the closer you get to it

Chenille fabric inner has a rich pile that's soft, textural and catches the light at different angles for an iridescent effect

Plain scatter cushions are offset by an accent cushion that's patterned in a textured floral design to one side and plain on the reverse, so you can mix up the look to suit your mood

Removable foam-filled seat cushions feature a fibre top for added comfort; fibre-filled back cushions are reversible for longevity (plump cushions daily to maintain fullness)
