Young couple looking for own place (520 GBP)

Location South East, East Sussex https://www.freeadsz.co.uk/x-201195-z

We are a young couple looking for our own flat to rent. I myself and my boyfriend are in our mid twenties. We would prefer the eastbourne or surrounding area but willing to consider other areas. We have two rabbits that are normally outside but have also been indoor before and are very clean. We would like to find a property that includes most bills if possible but that can be discussed on viewings. We both would love to move out before Christmas and have a place to call our.
